

HEALTH PROMOTION NETWORK

TERMS OF REFERENCE

PURPOSE

- The Network will function to share information
- Improve collaboration on joint projects
- Partner for submissions
- Establish an understanding of current work
- Improve opportunities to work together
- Sharing of resources and information
- Sharing of human resources
- Developing a more integrated planning process
- Advocating as a group on agreed upon issues

GOALS

- To provide a space to share information on current work and issues.
- To ensure that there are relevant timely training opportunities across the Central Highlands Region for Health and Allied Health Professionals.
- To work together to further integrate the current plans occurring across the region.
- To provide expertise to the currently forming platforms of CHPCP
- To Provide a focus and professional development opportunity

MEMBERSHIP

The Health Promotion Network is comprised of representatives from CHPCP member and non-member organisations. Collectively members of this Network should demonstrate expertise in Integrated Health Promotion. Membership will also reflect and represent the geographical boundaries of the CHPCP.

Each member is committed to the development of clear boundaries, responsibilities and scope of activities for the Network. These will be reviewed at regular intervals.

STRUCTURE

A Chairperson is to be elected from among the network members for a term of 12 months. If the Chairperson is unable to attend a meeting they will arrange for a proxy in their absence.

The CHPCP Staff will provide secretariat support to the Health Promotion Network ensuring that agendas and minutes are circulated in advance of scheduled meetings.

MEETING SCHEDULE

The Integrated Health Promotion Network will meet on a monthly basis, which is subject to change as deemed necessary.

EVALUATION

The Health Promotion Network will review its Terms of Reference biennially or as required.
